Attire

Students need to be in studio dress code. You can go on our website under brochure and see what the correct attire is. If a student is in a hip hop class or Acro class only, they may wear tight fitted leggings and shirt. All other classes need tights and bodysuit under any cover-ups they wear. Hair needs to be pulled up and back off face/neck for all classes.

We Sell Tights, Shoes, and Dance Wear right on-line now! Simply log onto the website listed below OR Click the link in the Attire/Dress Code Section of our studio website to place your order! Everything will ship directly to your door!

When you log in, you will see a drop down box. You may click on the class(es) that your child attends and it will bring up all the possible choices .

STUDIO PASSPHRASE: We love dance 5678

We will try to keep students in the same colors and styles for recitals as they are required to wear for class, however, there may come a time when a class is asked to purchase a different style or color for their performance.

Recital T-shirt

Please make sure your child has a long pair of black leggings to wear with the finale t-shirt in the finale. Don't forget to bring your finale t-shirt with you to dress rehearsal on Saturday!

Early fall enrollment forms and the schedule have been emailed to you. Please hand in the form (also handed out in class) by June 3rd to let us know of your plans for next year! PICTURE DAY!!

The photographer will be at Dress Rehearsal for you to purchase your photos.

TEAM TRYOUTS

Our 2017/2018 season try outs will be held on Saturday May 20th at 12:15 for ages 5-7 year olds. Ages 8 and up will try out at 1:00-3:00 pm.

All students should wear a Black Leotard with Tan or Pink tights. Hair must be neat and pulled off the face. All dance shoes will need to be brought into the dance room with the students. If a child does NOT take all three styles of dance but still wishes to tryout, they should do so, and we will take that into consideration at tryouts. If you can, it would be helpful to have ballet and tap shoes for the tryouts. Perhaps you could borrow a pair or check the box in the waiting area if you need a pair for auditions.

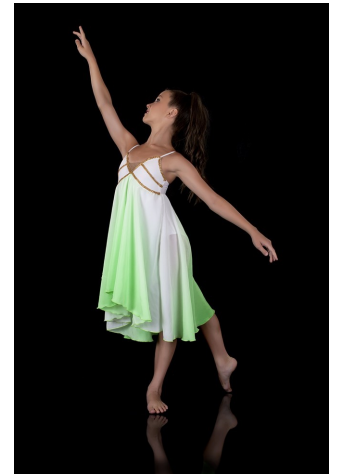

Parents should stay in the waiting area quietly, or drop the students off and return later. There will be no observing auditions.

There is a nonrefundable \$15.00 audition fee payable on the day of the audition.

Even if you are unsure if you want to do team you should still tryout. The practice of trying out is good for students.

After auditions, we will mail home our scoring sheets with notes from your judges explaining what steps should be worked on, and what the student needs to improve upon, OR what the student has done well at. You will be told if you have been chosen for team in that mailing.

In that mailing, we will also send home the requirements and expectations of team members. You may then decide if you want to be on team next year. I will say that one important reminder is that ALL team members must take Ballet, Tap, and Jazz above all else throughout the year once they become team members! We strive for a well-rounded dancer at Dance Inspirations!

SUMMER ENROLLMENT HAS BEGUN!

Please register on-line for any classes or summer camp by going to our website! Www.danceinspirationsri.com. Use the second tab, and click register on-line here. Click 2017 Summer Classes or Summer Camp to enroll! By now, everyone should have received the flyer with summer classes and camp we are offering. Please keep in mind you are seeing a price for 6 weeks (not one month). Prices for summer are much lower than regular season!

PRIVATE LESSONS!

Private lessons are for students who choose to learn a dance routine (either a solo, duet, or trio) during the summer and perform this dance in the recital. If the student is on dance team, they will also compete with this dance. You can sign up in the office by making a \$50.00 deposit and choosing a time slot.
